LIFTING PROGRAMS IN INJECTIVE COSMETOLOGY

**XI INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE
OF THE NATIONAL SOCIETY OF MESOTHERAPY**

ORGANIZER:

National Society of Mesotherapy

UNDER THE SUPPORT OF:

Martinx Group of Companies

Department of skin diseases and cosmetology of FCME of Pirogov Russian National
Research Medical University (RNRMU)

National Alliance of Dermatologists and Cosmetologists in Russia

Department of Clinical mycology and Dermatovenerology PFUR

SPEAKERS:

MATTHIEU BEUSTES-STEFANELLI

MD, MBA, Plastic Reconstructive Aesthetic Surgery & Gyneco-Plastic Surgery Paris, France, EBOPRAS (European Board of Plastic Surgery) Fellow, CFCPRE (French College of Plastic Surgery) Fellow, ICLASS ANATOMY Founder, ICLASS HAND Founder, WORLDPLAST FOUNDATION Co-President MBA HEALTHCARE Fellow

MIKHAYLOVA NATALIA

PhD, general physician, dermatovenerologist, cosmetologist, certified trainer for the companies: SINCLAIR PHARMA (Great Britain), SuissElle (Switzerland) and Cynosure (USA), Scientific Supervisor of Toscani Laboratory Ltd, Scientific Supervisor of the Martinex President of the National Mesotherapy Society, President of the Eurasian Community of Injective Methods Specialists, President of the Ukrainian Non-Governmental Organization "Union of Mesotherapists", Editor-in-Chief of the magazines: "Les Nouvelles Esthétiques", "Mesotherapy", "My Reforma", Russia.

PIOVANO LUCA

MD, professor, plastic surgeon, Consultant for Sinclairpharma, Merz Aesthetics Bioform Medical, IBSA, AQTIS, Member of the American Society of Plastic Surgery (ASPS), Member of the International Society of Aesthetic Plastic Surgery (ISAPS), Member of the International Plastic and Reconstructive Surgery (IPRAS), Member of the European Societies of Plastic, Reconstructive and Aesthetic Surgery (ESPRAS), Member of the Società Italiana di Chirurgia Plastica, Ricostruttiva ed Estetica (SICPRE), Italy.

PARFENOVA IRINA

dermatologist, cosmetologist of the Clinic of aesthetic medicine "Reforma", Medical Advisor for Martinex Group of Companies, Certified Trainer of SINCLAIR PHARMA company (Great Britain) and of SuissElle company (Switzerland), Member of the National Society of Mesotherapy, Honored Member of the Kazakhstani Society of Mesotherapy, Speaker of AMWC, Russia.

DURING TWO DAYS YOU HAVE A POSSIBILITY NOT ONLY TO HEAR THE UNIQUE PERFORMANCES OF THE LEADING SPECIALISTS OF WORLD COSMETOLOGY BUT ALSO TO ASK THEM THE QUESTIONS AND TO PARTICIPATE AT THE DEBATES.

Today the practical dissection anatomy is included in cosmetologist's practice, and the combination of anatomical course with different lifting programs is chosen according to the interrogation of the delegates during the Conference of the National Society of Mesotherapy (October, 2015 in Turkey).

We invite the participants of the Conference to prepare their questions, photos of the patients, of complicated cases from their own practice.

You will have the possibility to receive the individual recommendations from the speakers of the Conference.

PROGRAM OF THE EVENT:

MARCH, 24th (first day)

THREAD LIFTING

- ▶ **Thread lifting: from classic to innovation.**
Practical value of tread classification based on PDO.
- ▶ **Anti-ptosis effect.**
Lifting of facial soft tissues using thread technologies. Skin and tissues sagging elimination. Lifting of nasolabial folds, harmonizing facial contours in patients with deformational aging type.
- ▶ **Master-class demonstration.**
Thread lifting protocol layer-by-layer in terms of smooth, multifilament, hybrid, lifting and holding treads.

VOLUMIZATION AS A METHOD OF LIFTING

- ▶ **Remodelling of the face.**
Master-class demonstration: Art-volumization: repositioning lifting of middle and lower face, mandibular line modification (relative/moderate sagginess in the lower face of the patients), chin increase (absence of the mental tubercle)
- ▶ **Eyebrows lifting.**
Aesthetic non-invasive rhinoplasty: what to expect? Aesthetic non-invasive rhinoplasty: multiethnic approach from Caucasian to Asiatic nose.
- ▶ **Master-class demonstration due to the topic of the report.**
- ▶ **Optimal protocol for the volume restitution of the face and hands with the use of fillers.**
- ▶ **Master-class demonstration.**
hands care: skin elasticity and wrinkleless correction, reduce of the visibility of ligaments, bones and veins.

THERAPEUTIC LIFTING

- ▶ **Pathogenic approach to the correction of the skin age changes.**
Correct combination of HA-based preparations for each type of face aging.
- ▶ **LINING-effect.**
New capabilities of the use of fillers.
- ▶ **Master-class demonstration.**
LINING-effect – midface lifting.

MARCH, 25th (second day)

ANATOMICAL CLASS AND MASTER-TRAINING.

DISSECTION MATERIALS IN INJECTIVE COSMETOLOGY IN PRACTICE

- ▶ **Topographic anatomy.**
- ▶ **Analysis layer-by-layer of age changes in facial tissues with video demonstration from the dissection courses.**
- ▶ **Application of knowledge about facial proportions in practice.**
- ▶ **Lectures, video materials, master-classes on the models due to the following topics:**
upper face, midface, lower face, neck, decollate, hands.
- ▶ **Anatomical basis of immediate and tardive complications while botulinum toxin therapy and contour correction.**
- ▶ **Knowledge of anatomy to correct the complications.**
- ▶ **Detailed analysis of the particularities of fillers injection to obtain the lifting effect.**
- ▶ **Live demonstration of the treatment on the models**
